Suggested Interview Questions

"Learning To Cope with Sight Loss" by William L. McGee

1. You have Age-Related Macular Degeneration. What does that mean?
2. What do you mean when you say you are legally blind?
3. When did you lose your vision? What can't you see? What can you see?
4. What lifestyle changes did you and your wife make when you became legally blind?
5. How did you hear about the VA Blind Rehabilitation Program?
6. Does a veteran's vision loss have to be service-connected?
7. How does a veteran apply for admission to one of the ten VA Blind Rehab Centers in the U.S.?
8. Explain what you mean by one-on-one instruction at the VA Blind Rehab Center?
9. Who were the other "students" at the VA Western Blind Rehab Center? Were there women veterans? What branches of service were represented?
10. You offer your story in a choice of formats: a printed booklet, an Audio CD recording (both at a nominal cost), and, as a public service, a free downloadable PDF document from your website, www.BMCpublications.com. Why the free document?
11. How did you get four Bay Area Broadcast Legends to record the book for you?
12. What was the most meaningful lifestyle tip or tool you learned about during your six weeks at the Western Blind Rehab Center?
